for  
**Bachelor of Science in Business - Business Administration**

The purpose of this updated 2+2 Articulation Agreement is to facilitate the transition of students from Independence Community College to Emporia State University for the purpose of completing the Bachelor of Science in Business (Business Administration Major) at ESU. In order to maximize the learning opportunities at both institutions and to provide a seamless transfer process for students, Emporia State University and Independence Community College have entered into this Agreement, effective with the 2021-2022 academic year.

The partnering institutions further agree to encourage qualified students to participate in the articulation program through advisement and dissemination of information
