# Independence Community College Transfer Program to the University of Kansas Elementary (K-6) Education Program

Number to Call at KU for Advising: (785) 864-9616

E-Mail: [soeadvising@ku.edu](mailto:soeadvising@ku.edu)  
Website: [www.soe.ku.edu/advising/transfer](http://www.soe.ku.edu/advising/transfer)

Students are admitted to the Teacher Education Program once a year for the spring semester. Complete an online application at <http://soe.ku.edu/admission/> by mid-September for the next spring semester. A complete application also includes essays, and letters of reference. Students are notified of decisions in writing by mid-October. Kansas Board of Regents policy determines some admission requirements. Typically, students apply during the fall of their sophomore year to begin at KU in the spring of their sophomore year. After admission, five semesters are required to complete the degree. This includes two semesters of student teaching.

- Admissions for all School of Education programs are competitive.
- The minimum grade point average (GPA) to be admitted is 2.75. A competitive GPA is 3.2 or higher.
- Courses listed in the "Admissions Requirements" box must be completed before admission to the Teacher Education program is possible. Courses listed here can be in progress during the semester you are applying.
- For admissions purposes only, an approved science with lab can be substituted for geography with lab.

**Make sure to meet with a School of Education advisor before you decide to come to KU. Given your proximity to KU, it may be easier to contact an advisor via the phone, email or video chat (i.e. Skype), which is perfectly acceptable.**

Because enrollment in competitive programs is limited to prescribed numbers, *students who meet minimum admission standards may not be accepted.* Prospective teacher education students should consult an advisor early in the first year to ensure fulfillment of admission requirements and to plan efficient programs of study.

- The following courses, or the KU equivalents for transfer students, must be completed (or currently enrolled) prior to applying into the Education program:

## Independence Community College

---

### Articulation Agreement

---

#### Introduction

This articulation agreement formally recognizes that the University of Phoenix and Independence Community College are educational institutions which agree to work together to provide educational opportunities for the currently enrolled and potential students of their institutions. Agreement to this alliance requires a commitment by both institutions to facilitate the transfer of an associate degree conferred students into a baccalaureate degree program without jeopardizing the intended mission and stated goals of either institution.

#### Purpose

The agreement defines a structure through which articulation on all levels will be supported. This agreement is specifically designed to allow for maximum transfer of credit and a seamless transition for students earning an associate degree. Development and distribution of all transfer articulation products (e.g. brochures, checklists or transfer guides) are the responsibility of the University of Phoenix. The University of Phoenix will consider the input from Independence Community College so that the most efficient transfer possible may be achieved for the student. The University of Phoenix and Independence Community College agree to develop a working plan to accomplish students' transition between associate and baccalaureate degrees.

#### Transfer Features and Benefits

1. All credit from associate degrees (including vocational degrees), awarded by Independence Community College will transfer to the University of Phoenix, meaning that all associate degree-related courses, subject to program limitations detailed on the transfer literature, will automatically transfer.
  - Although credits will be accepted in transfer, additional general education credits may be needed to fulfill the program requirements.
  - Students from Independence Community College will be granted admission to a baccalaureate degree program at the University of Phoenix based on academic requirements as a result of having earned an associate degree and upon further satisfaction of all other conditions for admission as stated in the University Catalog. University of Phoenix admission requirements may be viewed at [www.phoenix.edu](http://www.phoenix.edu)
2. If the student is enrolled in the Bachelor of Science in Management program (in states where offered), the associate degree focus will be listed as an area of emphasis on the baccalaureate transcript and University of Phoenix diploma.
3. Students from Independence Community College, who are within 12 months of the completion of their associate degree, may pre-apply to a University of Phoenix baccalaureate program and will be granted access to the University of Phoenix University Library Online Collection. **EDUCATIONAL AGREEMENT  
BETWEEN  
OTTAWA UNIVERSITY  
AND  
Independence Community College**

This agreement is entered into between Ottawa University, a Kansas corporation, herein referred to as "Ottawa", and Independence Community College, herein after referred to as "Independence CC".

Whereas, Ottawa has over 150 years of demonstrated academic excellence in delivering high quality, university educational programs through a variety of delivery systems, and Independence CC has a reputation for excellence in providing programs designed to train people in a variety of careers.

Whereas, Ottawa and Independence CC agree that cooperation between them may be of benefit to both parties and their constituencies and their constituencies by increasing graduation rates at the associates and bachelors levels.

Therefore, Ottawa and Independence CC desire to enter into a mutually beneficial agreement whereby the parties agree to abide by all the terms and conditions set forth in this agreement as follows:

1. Effective from the Ottawa term beginning August 18, 2021, Ottawa will offer a reduction in tuition to any Independence CC associate degree graduate who transfers to complete a baccalaureate degree program at Ottawa University. The transfer advantage program will reduce the per credit hour tuition paid by the new student to an effective rate \$150 below the posted rate for online, standard Bachelor's level coursework. Tuition rates are subject to change. The reduction in tuition is limited to one baccalaureate degree per student, and to coursework which applies to the student's program of choice. Coursework may be completed online or on campus at Ottawa University's adult locations as course offerings are available. Students may begin in any term throughout the academic year. The student is eligible to receive the reduced tuition rate for two (2) years from the start of their first course, or until completion of the baccalaureate degree – whichever occurs first.
2. Additionally, Ottawa will offer a 20% tuition reduction to employees of Independence Community College who enroll in a baccalaureate or graduate degree program through Ottawa University's Adult Professional and Graduate online campus. The incentive is limited to one baccalaureate or graduate degree per employee of Independence CC.

3. As part of this agreement, Independence CC agrees to assist in informing students of this transfer advantage benefit using existing channels and resources, as well as others upon which the parties may mutually agree. Ottawa invites Independence CC to participate in joint announcements of this agreement, and in lending the use of its name and logos for this purpose in promotional materials, mailing pieces, digital media, or other items by mutual agreement. It is understood that either party using the other's name and logos will obtain the approval of the other party prior to its distribution. Each party agrees to acknowledge and recognize the agreement on each institution's website and via other marketing and publicity methods. Independence CC agrees to provide Ottawa with access to graduate directory contact information (including mailing addresses, emails, and phone numbers), in compliance with FERPA regulations, to enable Ottawa to contact potential program applicants
4. Residential Scholar Scholarship (RSS): Separate from the scholarship identified in Section 1 above, Independence CC associate degree graduates are eligible to receive an annual \$10,000 Ottawa University tuition scholarship to attend the traditional residential campus in Ottawa, Kansas. The RSS scholarship is subject to the admissions policies of the College, acceptance to the bachelor's degree program at the College, and attendance and residence at the College. In addition to these policies, if awarded the RSS, students are required to be continuously enrolled each term to retain eligibility for the scholarship. This program is separate and unique from the educational opportunity mentioned in #1 above. The annual \$10,000 RSS scholarship cannot be used in conjunction with any other local aid/scholarships (i.e.: potential merit award) and any recipient of the \$10,000 scholarship must complete the federal financial form (FAFSA) to apply for federal and state financial aid to determine the best use of aid for each individual student and to apply any available grants.
5. Ottawa will award and transcript college-level credit earned through the successful completion of any associate degree program awarded by Independence CC. Varsity sports, developmental, remedial, and courses that are not applicable to Independence CC degree will not transfer. Activity courses, such as skill building, physical, and musical activities, will be limited to four credits for each area. Coursework from other institutions accepted toward the Independence CC associates degree will be evaluated and transcribed in compliance with Ottawa's transfer policy. Coursework from other institutions and credit for prior learning accepted toward the Independence CC associates degree will be evaluated and transcribed in compliance with Ottawa's transfer policy and may result in a difference of credit than granted by Independence CC.
6. Ottawa will accept a maximum of 80 credits from Independence CC toward the Bachelor of Arts or Bachelor of Science degree. Of the 124 semester hours of credit required for graduation, a minimum of 30 hours must be completed at Ottawa University, including a minimum of 12 hours of upper division coursework in the

major. The student must also complete a minimum of 44 hours of upper division coursework.

7. **Adult and Online Studies:** Ottawa's General Education requirements are organized into four areas called Breadth Areas; Art/Expression, Social/Civic Studies, Science/Description and Value/Meaning. Demonstration of competence in the Liberal Arts breadth areas includes completion of a minimum 6 semester hours of credit. A student gaining an associate degree from Independence CC will typically have fulfilled Ottawa's breadth area requirements as a result of completing Independence CC requirements. Should breadth area courses be lacking, these will be available through the student's regular course of study at Ottawa University. Ottawa recognizes that learning in these four areas may be achieved in varied ways through different classes and/or tests, depending on students' needs, interests, and educational backgrounds. Students must also successfully complete the LAS sequence of courses at Ottawa, consisting of a minimum of LAS 30012 Writing and Critical Thinking in the Liberal Arts and LAS 45012 Global Issues in the Liberal Arts, and UNV 11000 Seminar for Significance.

**Residential Campus:** Students must complete the appropriate liberal arts interdisciplinary seminars based on their student classification at entry, the information literacy requirement, religion requirement, eight breadth area requirements, as well as writing and computational competencies.

8. **Adult and Online Studies:** Only courses for which students have received a grade of "C" or better (2.0 on a 4.0 scale) can be transferred and applied toward degree requirements to satisfy major/minor/concentration and breadth area requirements. Courses with a grade of "D" will be considered for application toward the required 124 credits needed for graduation. Students must have a minimum cumulative grade point average of 2.00 to graduate from Ottawa.

9. Each of the parties is responsible respectively to maintain their offerings according to the academic standards which meet all the standards for accreditation by the Higher Learning Commission - Ottawa and Independence CC.

10. Ottawa agrees that it will not disclose or authorize anyone else to disclose or use or make known for another's benefit any confidential information or data of Independence CC and/or its students in any way acquired under this Agreement unless required by law or court order. This includes, but is not limited to, information pertaining to students covered by The Family Educational Rights and Privacy Act (FERPA). Ottawa shall promptly notify Independence CC of all requests or demands for information related to Independence CC students it receives in connection with any legal, governmental, or other proceeding or investigation unless otherwise prohibited by law.

Upon execution, such amendment shall be incorporated by addendum as part of this agreement.

13. Either party may terminate this agreement within 120 days written notice. Either party may terminate this agreement for the material noncompliance of the other party by providing that other party 30 days written notice of termination. If the non-complying party fails to resolve its noncompliance within the 30-day period, or makes no attempt to do so, the termination shall be effective immediately. Immediate termination is possible only by mutual consent. Such termination shall not affect students already accepted by Ottawa pursuant to this agreement.

14. To the extent permitted by law, each party shall hold the other party harmless for any actions or omissions on the part of its employees or agents. Both parties agree to use alternative dispute resolution procedures to the extent permitted by law.

15. Neither party shall illegally discriminate in either the provision of services, or in employment, against any person because of sex, age, race, disability, national origin, veteran's status, sexual orientation, color, or religion, and agrees to comply with all applicable federal and state laws, rules, regulations and executive orders relating to nondiscrimination, equal employment opportunity, immigration and affirmative action. Both parties' services and facilities shall comply with all applicable laws, including the Americans with Disabilities Act and the Rehabilitation Act, relating to persons with disabilities.
16. This agreement shall be governed by the laws of the State of Kansas. If any term or provision of this document shall be held illegal, unenforceable, or in conflict with any law governing this document, the validity of the remaining provisions shall not be affected thereby.
